EXAMINER'S AMENDMENT

1. Replace claim 57.

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. David Volejnicek on October 20, 2005.

The application has been amended as follows:

As per claim 57:

The method of providing fault-tolerance in a network, the network including a plurality of firewalls each having a different fixed media access control (MAC) address, the method comprising:

detecting a failure of a first firewall in the plurality of firewalls;

changing, in a packet, the fixed MAC address of failed said first firewall to the fixed MAC address of a functional second firewall of the plurality of firewalls in response to the failure; and

relaying the packet to the functional second firewall after changing the MAC address in the packet.

Allowable Subject Matter

3. Claims 1-24 and 26-63 are allowed.

4. **The following is an examiner's statement of reasons for allowance:**

Applicant have overcome the arguments brought forth in the examiner's response to the Appeal Brief (6/30/2005), by amending claims 23 and 40 whereby to disclose the allowable limitations of claims 1-22 and 47-56.

Prior art including Coile, et al. and Belville fails to teach the allowable limitations of changing in the packet the fixed MAC address of the failed (first) firewall to the fixed MAC address of the functional (second) firewall and thereafter relaying the packet to the functional (second) firewall with the changed fixed MAC address of functional firewall.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
